

Step in brief using the Canva template: Bright Pink Cake Pops

1. Delete pink box on right
2. Add a Background: (left menu)
3. Delete "cake pops" photo AND Frame below it
4. Upload and or select your photo (left menu)
Use stock photo (Images menu on left) if you choose
5. Set margins for desktop vs mobile:
File > Rulers
This template file is 850 x 315 ish
(you will lose 90 on either side)
set guides at 90 & 760 ish
File > Guides
6. Edit the type: type options above work area and in left menu
fonts, colors, etc
7. Layer "Position" (top option menu)
8. Delete graphic dots
9. Add graphic line
change color
10. Animate: (top options menu)
page 1 animation is now done
11. SAVE a COPY for your template:
notice which tab and which file you are working on
12. Duplicate your page to begin animation page 2
Change photo and text
Repeat for all your animation pages
13. FB cover animation needs to be 30-90 seconds
duplicate pages if needed to get to 30+ seconds
then change order of if pages needed
14. Download mp4 (icon on top right)
Did you remember your file name?

Extend Your Skills: 3 things to try

Text:

- Add an effect to your text
- or
- Try out text with a fun effect from the left text menu.

Your Logo:

- Upload your logo and create a beginning or end page featuring it.

Elements (graphic objects):

- some objects are pre-animated, look through the elements menu of the left and try an animated object.
